Adverbs - ANSWER KEY

Grade 2 | Finding adverbs and choosing between adjectives and adverbs

An adverb tells more about a verb: how, when, or where something happens. Many adverbs end in -ly, like slowly.

Part A: Write the adverb in each sentence.

1. Ben carefully carried the full glass. **carefully**
2. The turtle walked slowly to the pond. **slowly**
3. We will go to the beach tomorrow. **tomorrow**
4. Mia sang loudly in the school show. **loudly**
5. Dad gently patted the sleepy puppy. **gently**
6. The baby slept quietly in her crib. **quietly**
7. The kids played outside after lunch. **outside**
8. The rabbit hopped quickly into its hole. **quickly**

Part B: Adjective or adverb? Write the word in ( ) that makes the sentence correct.

9. Sam is a (careful / carefully) painter. **careful**
10. The dog ran (quick / quickly) after the ball. **quickly**
11. The (soft / softly) blanket kept me warm. **soft**
12. The fans cheered (loud / loudly) at the game. **loudly**
13. The (happy / happily) girl hugged her friend. **happy**
14. Please talk (quiet / quietly) in the library. **quietly**
15. Grandpa drives (slow / slowly) on our street. **slowly**
