# Division Facts With 0, 1 and 10 - ANSWER KEY

Grade 3 | Dividing by 1 and 10, dividing 0 and dividing a number by itself | Version 9 of 10

*Divide. Rules to remember: a number ÷ 1 is the same number. 0 ÷ a number is 0. A number ÷ itself is 1. To divide a number ending in 0 by 10, take off the last 0.*

1. 30 ÷ 10 = 3
