Equal Groups Multiplication - ANSWER KEY

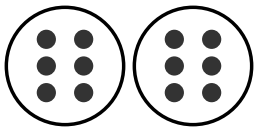

Grade 3 | Writing multiplication sentences for pictures of equal groups | Version 1 of 10

Look at the equal groups. Write how many groups, how many dots are in each group, and how many dots in all. Then write the multiplication sentence.

1. 

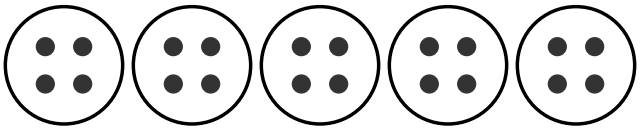

3 groups of 5 = 15

3 × 5 = 15

2. 

2 groups of 6 = 12

2 × 6 = 12

3. 

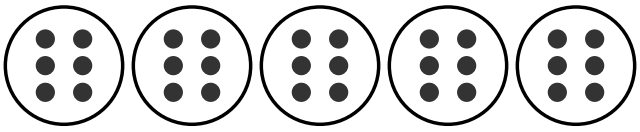

5 groups of 4 = 20

5 × 4 = 20

4. 

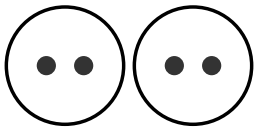

5 groups of 3 = 15

5 × 3 = 15

5. 

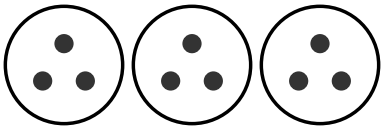

5 groups of 6 = 30

5 × 6 = 30

6. 

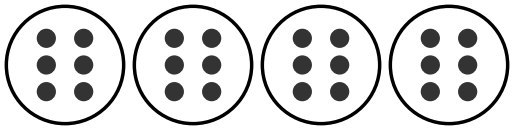

2 groups of 2 = 4

2 × 2 = 4

7. 

3 groups of 3 = 9

3 × 3 = 9

8. 

4 groups of 6 = 24

4 × 6 = 24
