Equal Groups Multiplication - ANSWER KEY

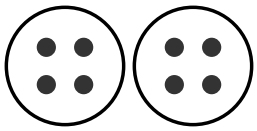

Grade 3 | Writing multiplication sentences for pictures of equal groups | Version 10 of 10

Look at the equal groups. Write how many groups, how many dots are in each group, and how many dots in all. Then write the multiplication sentence.

1. 

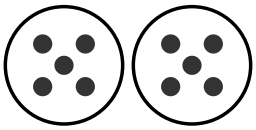

5 groups of 5 = 25

5 × 5 = 25

2. 

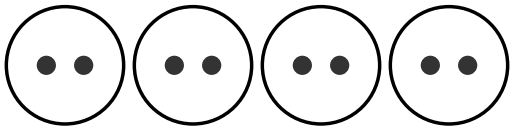

2 groups of 4 = 8

2 × 4 = 8

3. 

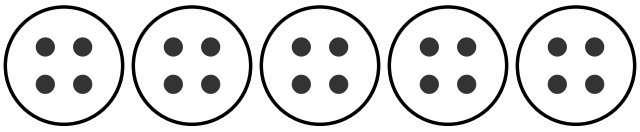

2 groups of 5 = 10

2 × 5 = 10

4. 

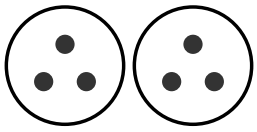

4 groups of 2 = 8

4 × 2 = 8

5. 

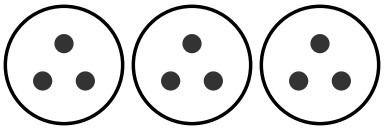

5 groups of 4 = 20

5 × 4 = 20

6.
