Equal Groups Multiplication - ANSWER KEY

Grade 3 | Writing multiplication sentences for pictures of equal groups | Version 3 of 10

Look at the equal groups. Write how many groups, how many dots are in each group, and how many dots in all. Then write the multiplication sentence.

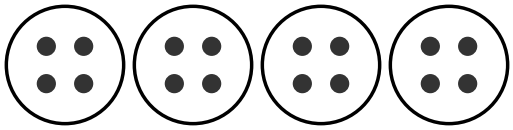

1.

2 groups of 4 = 8

2 × 4 = 8

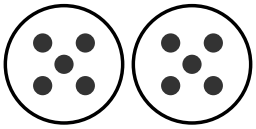

2.

4 groups of 4 = 16

4 × 4 = 16

3.

2 groups of 5 = 10

2 × 5 = 10

4.

5 groups of 2 = 10

5 × 2 = 10

5.

3 groups of 5 = 15

3 × 5 = 15

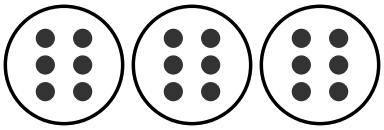

6.

5 groups of 3 = 15

5 × 3 = 15

7.

3 groups of 6 = 18

3 × 6 = 18

8.

3 groups of 3 = 9

3 × 3 = 9
