Equal Groups Multiplication - ANSWER KEY

Grade 3 | Writing multiplication sentences for pictures of equal groups | Version 4 of 10

Look at the equal groups. Write how many groups, how many dots are in each group, and how many dots in all. Then write the multiplication sentence.

1.

4 groups of 2 = 8

4 × 2 = 8

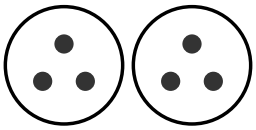

2.

5 groups of 5 = 25

5 × 5 = 25

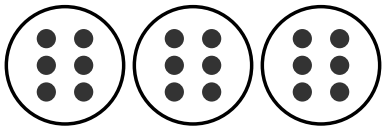

3.

2 groups of 3 = 6

2 × 3 = 6

4.

3 groups of 6 = 18

3 × 6 = 18

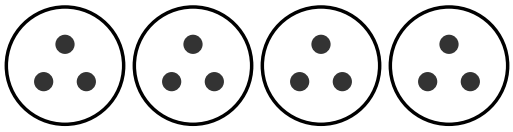

5.

5 groups of 3 = 15

5 × 3 = 15

6.

4 groups of 3 = 12

4 × 3 = 12

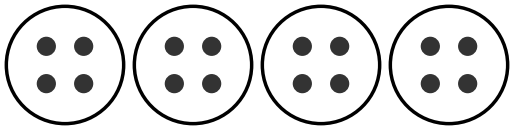

7.

5 groups of 2 = 10

5 × 2 = 10

8.

4 groups of 4 = 16

4 × 4 = 16
