Equal Groups Multiplication - ANSWER KEY

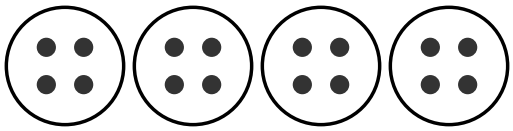

Grade 3 | Writing multiplication sentences for pictures of equal groups | Version 8 of 10

Look at the equal groups. Write how many groups, how many dots are in each group, and how many dots in all. Then write the multiplication sentence.

1. 

3 groups of 2 = 6

3 × 2 = 6

2. 

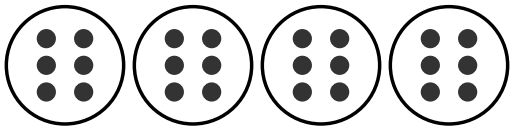

4 groups of 4 = 16

4 × 4 = 16

3. 

5 groups of 3 = 15

5 × 3 = 15

4. 

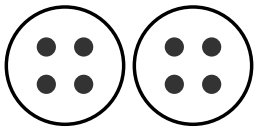

4 groups of 6 = 24

4 × 6 = 24

5. 

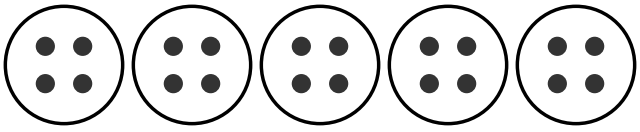

5 groups of 2 = 10

5 × 2 = 10

6. 

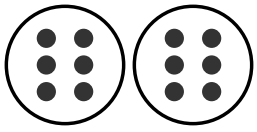

2 groups of 4 = 8

2 × 4 = 8

7. 

5 groups of 4 = 20

5 × 4 = 20

8. 

2 groups of 6 = 12

2 × 6 = 12
