Longer or Shorter? Compare Lengths - ANSWER KEY

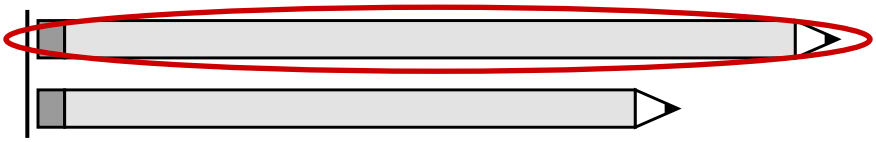

Grade K | Comparing two objects to see which is longer and which is shorter | Version 1 of 10

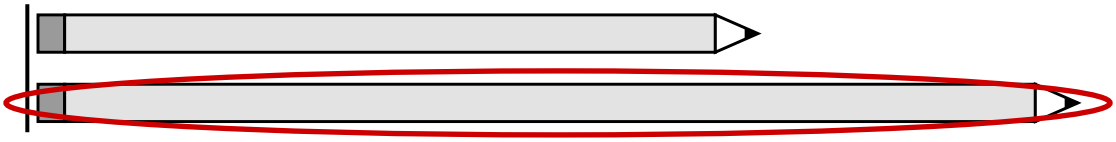

The pencils in each pair start at the same line. Look at where they end. Circle the pencil the question asks for.

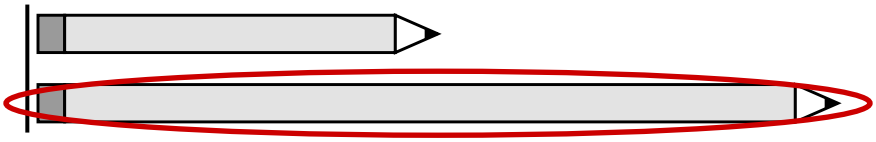

Part A: Circle the LONGER pencil.

1.  bottom

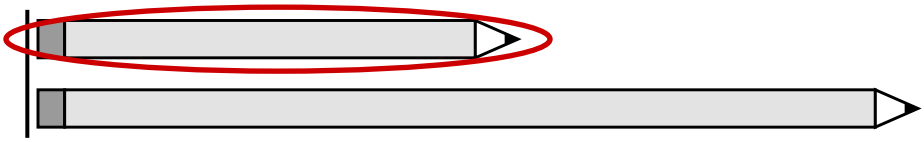

2.  top

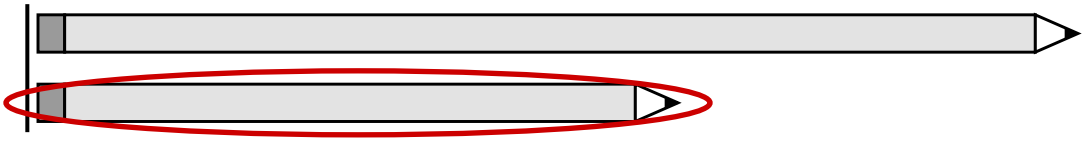

3.  top

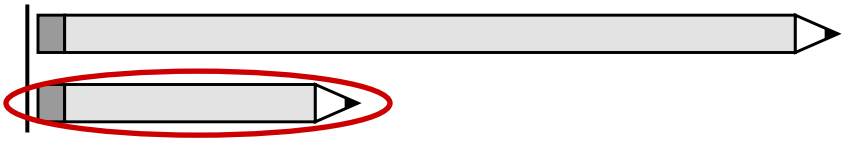

4.  bottom

5.  bottom

Part B: Now circle the SHORTER pencil.

6.  top

7.  bottom

8.  bottom
