Longer or Shorter? Compare Lengths - ANSWER KEY

Grade K | Comparing two objects to see which is longer and which is shorter | Version 2 of 10

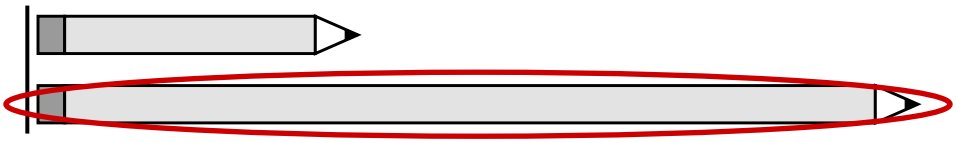

The pencils in each pair start at the same line. Look at where they end. Circle the pencil the question asks for.

Part A: Circle the LONGER pencil.

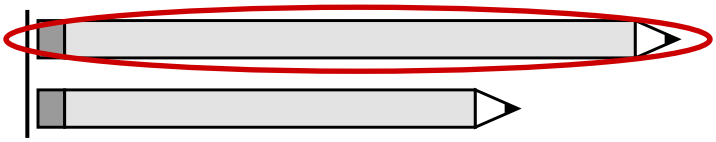

1. top

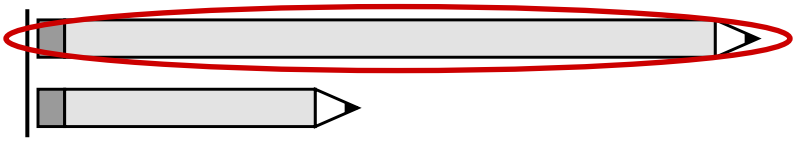

2. bottom

3. top

4. top

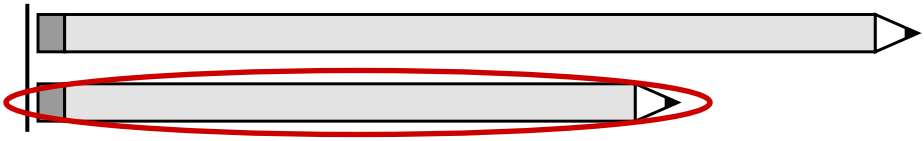

5. top

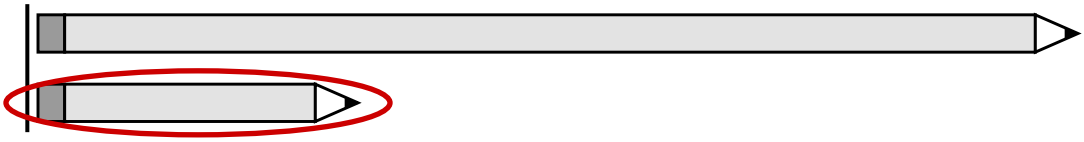

Part B: Now circle the SHORTER pencil.

6. bottom

7. bottom

8. bottom
