Longer or Shorter? Compare Lengths - ANSWER KEY

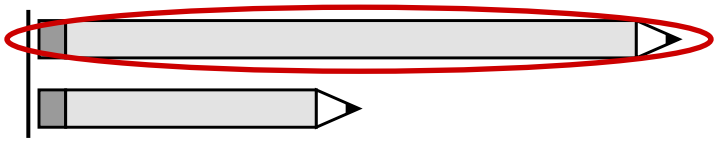

Grade K | Comparing two objects to see which is longer and which is shorter | Version 9 of 10

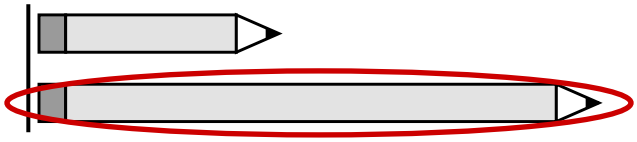

The pencils in each pair start at the same line. Look at where they end. Circle the pencil the question asks for.

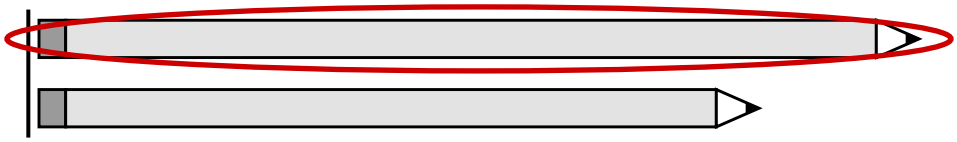

Part A: Circle the LONGER pencil.

1.  bottom

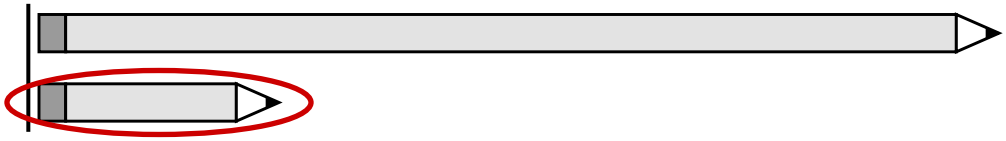

2.  bottom

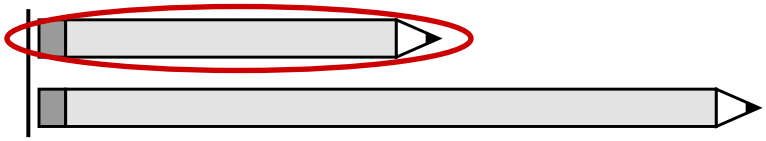

3.  top

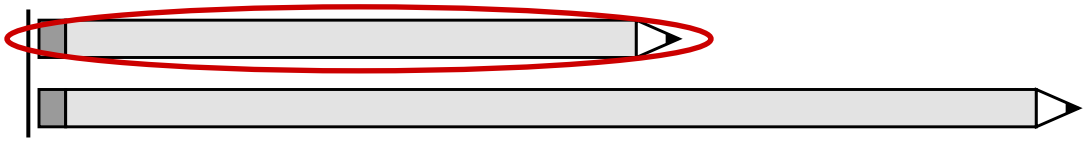

4.  bottom

5.  top

Part B: Now circle the SHORTER pencil.

6.  bottom

7.  top

8.  top
