Ordering Objects by Length - ANSWER KEY

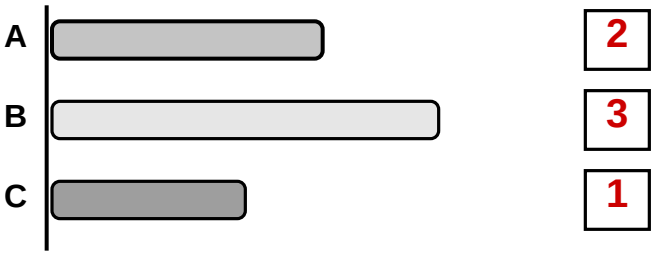

Grade 1 | Putting three objects in order from shortest to longest or longest to shortest | Version 1 of 10

All the ribbons in a set start at the same line. Write 1, 2 or 3 in each box to put the ribbons in order. Read the direction for each set!

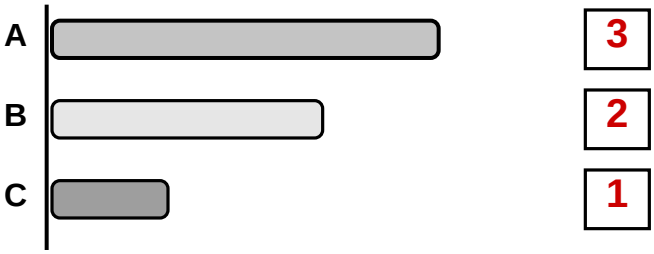

Set 1: 1 = shortest, 3 = longest

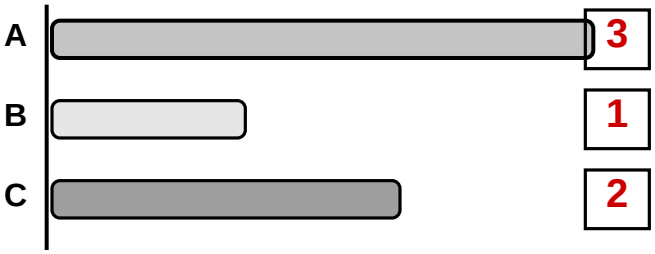

Set 2: 1 = shortest, 3 = longest

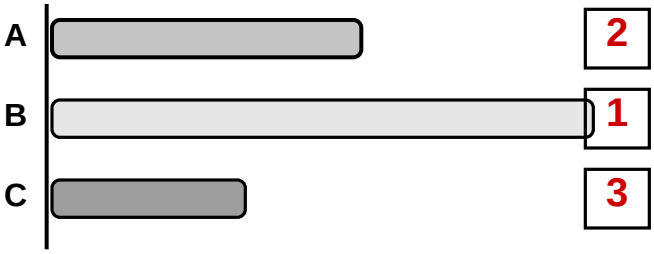

Set 3: 1 = shortest, 3 = longest

Set 4: 1 = shortest, 3 = longest

Set 5: 1 = longest, 3 = shortest

Set 6: 1 = longest, 3 = shortest
